Dear 3-5 Parents,

Join us for our annual 3-5 Open House to obtain general information about the upcoming school year, visit your child's classroom, meet your teacher, and learn about upcoming class content and stewardship opportunities (ex. Lourdes Elementary Parent Teacher Organization [LEPTO]). Parents are also invited to learn more about our Lexia Program (see below). Two time opportunities will be offered to accommodate your schedule and to meet the needs of those families that may have two or more children in our elementary grades.
